

Begunstigde Toevoegen: Klik op "Begunstigde Toevoegen" of selecteer de begunstigde in het drop-downmenu.

A screenshot of the "Payout Settings" dialog box. The "Enable payouts" toggle is turned on. Below it, a text description explains the payout process. The "Target Iban" section features a dropdown menu with the word "Select" and a downward arrow. This dropdown is highlighted with a red rectangular box. To the right of the dropdown is a link that says "+ Add Beneficiary". Below the dropdown is a field for "Minimum payout amount" with a Euro symbol (€) to its right. Further down, there are fields for "Next payout" and an "Interval Select" dropdown menu currently set to "Daily". At the bottom are "Cancel" and "Apply" buttons.

Minimaal Betalingsbedrag Instellen: Voer het minimale bedrag in dat op uw rekening moet blijven in het veld "Minimaal uit te betalen bedrag".
